ATHOL AREA YMCA MEMBERSHIP/PROGRAM SPONSORSHIP

Financial Sponsorship Statement

It is our position at the Athol Area YMCA that all of our membership and program services will always be accessible to any person regardless of age, income, race or religion. In those cases where cost of the membership or program is out of reach for an individual or family we will offer financial sponsorship. This financial sponsorship is made possible through funding from the United Way and through our Century Club donations.

Sliding-Fee Scale

The amount of sponsorship that applicants qualify for is determined by a sliding-fee scale. We will periodically review this scale so that we are able to provide assistance to individuals and families in need. The amount of sponsorship is set both by need and the resources of the Athol Area YMCA.

Financial Sponsorship Policy

The Athol Area YMCA provides financial sponsorship to qualified applicants based on the following criteria:

- That applicants qualify for sponsorship based on income and family size.
- That applicants reapply for sponsorship on an annual basis.
- That applicants meet all financial agreements set forth in the sponsorship.

Application Process

Applicants must:

- Complete attached financial sponsorship application fully.
- Must provide written documentation of all income sources including a month's worth of pay stubs showing year-to-date pay and/or any public assistance statements.
