WELCOME BACK FAQ

Is the YMCA open for everyone?

Yes. As of May 29th all restrictions have been lifted off businesses and the YMCA is open for anyone. We are excited to see all our members again and cannot wait to help everyone attain the personal wellness goals.

How do I enter the YMCA?

Both the Front Door and Side Door will be accessible for entrance. Once you enter the building you will just need to scan in at the welcome center with your membership card.

Is the YMCA accepting Drop Ins?

Yes. You may try the Y with a drop in fee of \$10 and for the month of June we will be doing "Half Price Fridays". You will have the opportunity to try the Y on a Friday for \$5.

What if I didn't keep up with my membership? Am I going to have to pay additional fees?

No, we are happy to assist any former members getting back on track. For the month of June anyone can join back up for just \$25 for the month. No extra fees, we just want you to begin your wellness journey again.

Do I need to wear a mask?

We will not be asking if you are vaccinated or not, but we are asking our members to remember we still serve vulnerable populations and to follow CDC recommendations. The recommendations allow vaccinated individuals to be indoors without masks and unvaccinated individuals to continue wearing masks and to socially distance themselves.

Do I need to make an appointment to come in?

No appointments are necessary. We are open for anyone to come in during our normal operating hours.

Are any areas of the building closed off to the members?

Everything is fully open. The only area that is not accessible is our licensed childcare program. Only authorized personal are allowed to travel in this area.

Are the locker rooms and saunas open?

Yes, the locker rooms and saunas are open. We ask if you are using a locker to pick up a red magnet from the welcome center and place it on the front on your locker. We will be sanitizing lockers and need to keep track of which lockers have been utilized.

Locker Rentals are Now Available
